Jeff,

I received your voicemail. We have had this claim in our possession for less than 24 hours, so I am unsure who is brushing you off.

Do you have an actual estimate you can provide me? I cannot review this 1 item "repair per estimate" invoice. Please forward an actual estimate to my email address bdennis@cherokeeinsurance.com.

Furthermore, if you do chose to seek advice from an attorney as threatened, please make sure they send over a letter of representation for our file.

Thanks,

Brian Dennis
